PROJECTS

Travel Blog

A WordPress website where I share traveling experiences, insights, and tips.

- Designed the website with WordPress as the core design and content management system.
- Produced and authored blog pages with relevant and informative content.
- Developed the site with a mobile-first approach to ensure optimal display and user experience on all screens.

Portfolio

A collection of projects that showcase my website design & development skills and expertise.

- Built to load quickly and to be user-friendly on screens of all sizes using Bootstrap.
- Structured HTML and stylesheets in a way that allowed for easy readability, maintenance, and updating.
- Utilized version control to facilitate the tracking and organization of changes made to the project.

EXPERIENCE

Assembler Senior | Lockheed Martin

June 2021 - PRESENT

- Played a key role in a team effort that established new manufacturing and quality standards for the facility.
- Pursued professional development by regularly acquiring new skills and knowledge to improve job performance.
- Consistently prioritized quality in all work performed, delivering exceptional results.
- Actively contributed to training and development of fellow team members, sharing knowledge and experience to help them succeed.

Assembler | Lockheed Martin

June 2019 - June 2021

- Played a vital role in a team that achieved record-breaking numbers for the entire program.
- Earned numerous certifications throughout my time in the role, surpassing the employee average.
- Played a role in training new team members, helping to ensure their success and integration within the company.
- Consistently took on various roles within the team to promote a well-rounded skill set and support team success.
- Maintained a keen eye for detail, ensuring a high level of accuracy and precision in all work performed.

Automotive Technician | Walmart

November 2018 - June 2019

- Worked collaboratively with team members to achieve objectives promptly and with precision.
- Maintained a commitment to delivering work of the utmost quality to all customers.
- Demonstrated a continuous focus on learning and self-improvement to enhance my knowledge and abilities.

EDUCATION

Straughn High School | High School Diploma

August 2014 - May 2017
